4 Manufacturers United International Corporation and Rifu Apparel Corporation have
5 received letters addressed to member of the plaintiffs' class. The letters are in the form attached
6 as Exhibit A. These letters, approximately 1500 in number, are addressed to *former* employees of
7 the manufacturers, who previously used the company's mailing address as their own.
8 Undoubtedly, other manufacturers have received such letters for former employees.

9 The manufacturers seek guidance from the Court has to what should be done with the
10 letters and the checks enclosed with the letters considering the 120-day time limitation.

11 Possible procedures:

- 12 1. For a portion of the letters, have a current friend/relative on Saipan obtain written
13 authorization from the payee in China to cash the check with a remittance company who will then
14 transmit the money to China;
- 15 2. Return the letters to Plaintiffs; or
- 16 3. Provide the letters to the Monitoring Oversight Board.
